<b>1</b>	Received a call from Ann Commingham.	
Director National It develor not the I the Agen to the Di otherwis	Sice of Senator Keaneth E. Kenting, who was inquiring about the ris termination authority as contained in section 102(c) of the Security Act. I discussed this authority with Miss Cunningham, sped that she was primarily interested in knowing whether or Director's authority evald be delegated. I advised her that by sey's interpretation of this section this authority was limited irector, or in his absence, to the Acting Director but was not to delegable. Miss Cunningham said she was interested in this
